

Dear Parents:

The Ministry of Education has implemented numerous initiatives to improve outcomes in French as a Second Language (FSL). The FSL Framework (<http://www.edu.gov.on.ca/eng/amenagement/frameworkFLS.pdf>) is a call to action to school boards across Ontario to:

- strengthen FSL programming,
- promote the benefits of FSL,
- heighten the appreciation of and support for FSL educators, and
- increase public confidence in FSL education.

As a result of this work, **all parents of the London District Catholic School Board (LDCSB) and all grade 9 & 10 students** are being asked to complete a survey relating to how aware you are of resources and opportunities for your children provided at school and offered outside of the school board and what opportunities you would like to know more about. Grade 9 & 10 students will be given the opportunity to complete this survey during school time.

As an incentive to complete the survey, all parents and students will be given the option to have their name entered in a draw. The LDCSB will be offering two prizes. Elementary parents have the chance to win 4 Cineplex movie passes for 2 adults and 2 children including snacks. Secondary parents and secondary students will have the chance to win 4 Cineplex movie passes for 4 adults including snacks.

We would like to thank you for taking the time to complete this survey. Your feedback is invaluable to us as we move forward with various initiatives to support the awareness of FSL resources and opportunities for our students and parents.

This link will bring you to the survey or you may choose to scan the QR code which will bring you directly to the website.
