CATHOLIC EDUCATION

- Living as Joyful Disciples

The overall themes for Catholic Education Week 2019 are very much directed to the young people in our schools, especially in their growth in holiness and their formation as disciples of Christ through the discernment of their vocational pathways.

“Although you have not seen him, you love him; and even though you do not see him now, you believe in him and rejoice with an indescribable and glorious joy.” 1 Peter 1:8

A graduate is expected to be a discerning believer formed in the Catholic Faith Community who celebrates the signs and sacred mystery of God’s presence through word, sacrament, prayer, forgiveness, reflection and moral living.
