

## **GR 7 & 8 MATH HOMEWORK HELP**

Homework Help is a valuable math resource available to all LDCSB students who are registered in a Grade 7, 8, 9 or 10 math course, as it allows them to access live, anonymous tutor chat sessions with certified Ontario teachers. In these sessions, the tutors will guide students to solve math questions after school hours. The live Homework Help chat room service is now open Sunday through Thursday from 5:30 p.m. to 9:30 p.m. Registrations will begin this week in our classrooms. Other math resources at the Homework Help site are available 24/7 once students have registered. Once registration is completed, student can access the Homework Help site through a link provided in our virtual Learning Environment located at <https://ldcsb.elearningontario.ca>
