

St. Vincent de Paul School Newsletter

January 2019

A Message From the Principal

Dear St. Vincent de Paul Community,

Happy New Year! I hope your 2019 is blessed and prosperous. I am so excited to be your new Principal! I am looking forward to a "Fantastic, Terrific, Learning and Faith-Filled" year, with all of the focus being on student development. From what I have seen and heard of so far, I am blessed to be beginning in this amazing community. I am so interested to learn about all of the many programs that support the whole child at SVDP. I am also excited to be working with you for the benefit of your children. I hope and pray that together we can nurture the intellectual, physical and spiritual growth of all the students in our community. I look forward to meeting you all in the coming weeks!

This will be a brief newsletter for January...mostly because I am new to the building.

Yours in Catholic Education,

Mr. G. Moore
