MISCONCEPTION - ENROLLMENT

- ❑ St. Robert's enrollment is declining and will decline by more than 50% by 2021.

ST. ROBERT CATHOLIC ELEMENTARY SCHOOL

TRUTH - ENROLLMENT

- ❑ St. Robert historical enrollment (past 5 year) shows that enrollment has been maintained around the 250 student level. Already in 2016/2017 enrollment is around 263 students, a 5% increase over 2015/2016. Being situated in the major growth area in the Easter Region, we do not expect this # to decline.

TRUTH - FCI

- ❑ There is a narrow margin between the FCI % for St. Robert and other neighboring schools. There are fundamental repairs/updates such as windows, roof and full time kindergarten class updates already completed at St. Robert that are needed at other schools. Once these are completed at other schools the FCI index will change enough to where St. Robert is no longer the highest #.

MISCONCEPTION – PICKUP/DROPOFF AREA

- ❑ St. Robert has a suggested pickup/dropoff area for buses that is located just at the front of the school on Crescent.

ST. ROBERT CATHOLIC ELEMENTARY SCHOOL

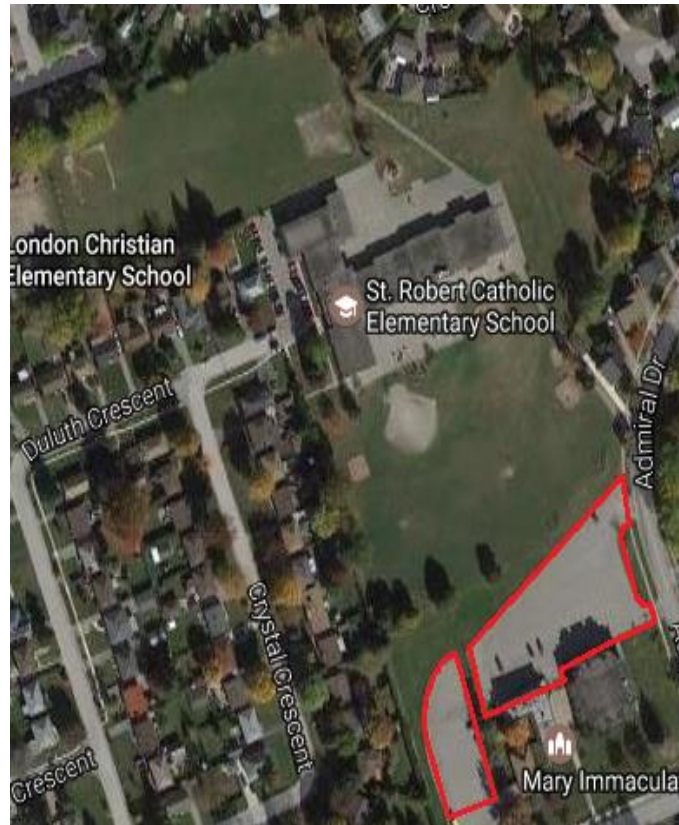

TRUTH - PICKUP/DROPOFF AREA

- ❑ The area at the front of St. Robert off Duluth crescent has never been the official pickup/dropoff area for the school. For decades, parents & busses have always used the church parking lot for pickup and dropoff. There is a valid Co-insurance policy for use of this area for this purpose.

PICKUP/DROP OFF LOGISTICS COMPARISON

St. Robert – Area more than adequate for current population. Room for expansion. Overflow area available. No safety concerns.

TRUTH – STUDENT LOCATION

- ❑ After a comprehensive survey, it was determined that almost 98% of St. Robert students live more than 1.6km away from St. Pius. 20% live below Trafalgar, 78% live outside the St. Pius' walking border to the east of St. Robert.

If applicable, your key recommendations/suggestions or solutions to address the issue/concern or problem:

The closure of St Roberts would leave such a tremendous gap in our area that the Catholic school board could very well be looking at losing upwards of 100 more enrolments in coming year
