Background

The Request for Tender RFT 2018-06 SBM-18-0508 Portable Installation was issued requesting submissions from interested proponents for installation of 24 Portables across fifteen (15) board locations. Portable installation will be completed in two phases. Phase one completion by August 28th 2018. Phase two completion to be determined in the 208/2019 school year.

The Request for Tender was electronically advertised per the BPS Procurement Directive on the public website www.biddingo.com. Strik, Baldinelli Moniz Ltd provided all bid documents to be posted. The RFT was advertised on April 27th, 2018, and closed on May 11th, 2018 at 11:00:00 am (local time). The Biddingo website received requests from seventeen (17) proponents for LDCSB's RFT documents. From this, only four (4) proponents responded and submitted proposals. One proponent was disqualified due to missing a mandatory document in their submission.

The total estimated Contract Value is \$1,038,000.00 (breakdown by submission below).

Bronnenco Construction Ltd	\$1,038,000.00
Norlon Builders	\$1,349,401.00
Kevlar Landscaping & Construction	\$ 1,221,005.95

RECOMMENDATION:

That the Board approves the following:

The Contract for work to be performed as indicated in the bid documents, be awarded to the vendor with the lowest bid as stated above. The total value for the work to be performed for the LDCSB sites is \$1,038,000.00 excluding HST.
