

ST NICHOLAS CATHOLIC ELEMENTARY SCHOOL

DRESS POLICY

SEPTEMBER 29, 2014

It is the policy of the London District Catholic School Board that individual elementary schools will establish a student dress code respecting appropriate dress for pupils. Principals will ensure that a consultation process is in place and that school policies and guidelines address the procedures established by the Board (Code J 3.2).

AFFORDABILITY

No student will be denied access to the school as a result of inability to afford appropriate clothing required by the dress code. The school will respond to families in need of financial assistance to comply with the chosen policy. If there is a financial need, it is the responsibility of the parent to inform the school.

DRESS CODE UPDATES / FUTURE REVIEW PROCESS

- In the event that a school chooses a uniform policy, this policy shall be in effect for a period of time no less than three years.
- Each school will annually review the school's dress code policy. This review will include consultation with the CSC of St. Nicholas.
- Any differences, which may arise, from the development and implementation of this policy shall be resolved with a spirit of openness and cooperation from all parties with a view to improving the common good.

DRESS CODE COMPLIANCE

Students are expected to be neat in appearance at all times. Students shall not wear any piece of clothing in such a way as to undermine its purpose. The following steps will be taken when a student does not comply with the mandatory wearing of the dress code:

- Reminder by the teacher
- Opportunity provided for child to change
- Written notice in the agenda book (or any other medium of communication) by the teacher
- Principal or designate talk to the student
- Teacher calls the parent
- Principal calls the parent
- Parent is called to pick-up student for persistent non-compliance (suspension).

If you still have questions, please submit them to the following e-mail address: stnicholascsc@gmail.com.

E-mail will be closed as of 12:00pm noon as of October 9, 2014.

OPTION 1: REGULAR DRESS

PURPOSE

Students are expected to dress in a manner appropriate for our Catholic schools, while still having the ability for self expression and individuality.

OVERVIEW

Clothing should be neat, comfortable, and modest, not drawing undue attention to the wearer. Clothing should allow the student to participate safely in the full range of activities in a typical school day. In warm weather, clothing should protect the student from harmful ultraviolet radiation while in the colder weather, clothing should protect from the elements as students will be expected to be outside. Students should dress appropriately for their age. The dress code applies to all students, from grades JK to 8. If students are dressed inappropriately, they will be asked to change. If appropriate clothing cannot be found at the school, we will ask parents to bring in some.

SPECIFIC ITEMS TO NOTE

- No hats are to be worn in the school
- Midriffs must be covered at all times
- No spaghetti straps, halter tops, or jersey shirts with large arm openings that allow the chest/stomach area to be visible (we follow the '3-finger rule')
- No mini-skirts or short-shorts. These items of clothing should be as long as, or longer than, a student's arm length, when arms are held straight down their side.
- No underclothes should be visible
- No articles of clothing with inappropriate logos, sayings or pictures
- All students must dress appropriately for the winter season and be prepared for outdoor recess
- All students must dress properly for physical education: shorts, gym shoes, T-shirt or sweat pants* (sweat pants cannot be worn during gymnastics for safety purposes)
- For safety purposes, necklaces and/or neckwear may not be worn unless they are constructed of breakaway material
- Fitted pants (i.e., tights, jeggings, fitted yoga pants, tight pants) are permitted as long as the student has a top layer that extends over the pants and hangs past their fingertips when arms are held straight at their side
- No Flip Flops are permitted
- When students are on a field trip external to the school, they represent St. Nicholas and the LDCSB. All students must adhere to the school dress policy and/or to any special apparel requirements set forth by the Teacher in charge while attending these trips.
